Account

Account

Account settings

Upgrade your account, activate special features, and redeem discounts.

Resource groups

Group your resources so you can quickly assign users access to multiple resources at a time. Resource groups are available for all resources that are managed by IBM Cloud Identity and Access Management.

Cloud Foundry orgs

Adjust resource quotas, users, spaces, and custom domains.

Licenses and entitlements

Assign licenses to your account for account members to use when installing software.

Tags

Use tags to manage your resources.

Dashboards

Create, manage, and share customized dashboards. Use a dashboard to group resources for specific projects or teams.

Audit log

View the actions that have been performed on your classic infrastructure resources. Available for all resources managed by Cloud Foundry.

Company information

View company contacts, company information, and account owner details.

Classic Subscriptions

View and modify notifications related to classic infrastructure resources.

Notifications Distribution List

Get notified via email, Slack, Microsoft Teams, or webhooks when important events occur that affect this account.

IBM Cloud Shell settings

View and modify your IBM Cloud Shell settings.
